

At-Home B-A-N-D-O

You aren't trying to just get 5 in a row! Your goal is to cover ALL of the squares! You must provide proof! **Option 1** - upload evidence to LiveGrades or email me imschneider@k12.wv.us evidence of completed task with the subject heading "Bando Box #" as you complete each challenge / box. **Option 2** - Your parent/guardian/adult in the home must witness you doing each challenge and initial in each box you complete.

1 How many different scales can you play? Try to learn a new one every other day. Your goal is all 12 major scales	2 Download a tuning app AND a metronome app to your phone, computer, or tablet. Your proof is a screenshot.	3 Play one of your pieces of sheet music for someone. Bonus points if they clap!	4 Write a letter to someone younger than you telling them why they should join (or continue) band	5 Record yourself playing a Major Scale and upload it to Livegrades (or email it to me)
6 PRINT or make a copy) and complete the Tuning Tendencies chart . This will probably take more than one day / practice session	7 Go to https://www.musictheory.net/exercises Play until you can get 100% naming at least 20 notes. What is your record?	8 Practice for 15 minutes in your PJs...	9 How long can you hold a note? Try to improve it by 1 second or more every day. What's your record?	10 Use the internet to find sheet music for your instrument...and play it!
11 Listen to an online concert https://www.digitalconcerthall.com/en/tickets?a=bph_webseite&c=true	12 Record yourself playing an Minor Scale and upload it to Livegrades (or email it to me)	13 FREE SPACE (My gift to you. You're welcome.)	14 Find a YouTube video of someone playing your instrument...and watch it!	15 Clean and care for your instrument (oil valves, cork grease, etc)
16 Record yourself playing a section of sheet music and upload it to Livegrades (or email it to me)	17 Figure out the melody of a song by ear (without using music)	18 Practice all of your concert music pieces until you can play all of them.	19 Watch a Drum Corp Marching show https://www.youtube.com/watch?v=yTZyr6EoVpQ	20 Compose an original 8 measure melody. Write it on staff paper and record yourself playing it.
21 Write a letter discussing what being in band means to you.	22 Find a recording of one of your pieces of sheet music on YouTube or at JWPepper.com and play along with it!	23 Play a song to someone over the phone, facetime, skype, or other live messaging	24 Record yourself playing a Major Scale and upoad it to Livegrades (or email it to me)	25 Play the concert Bb scale by MEMORY
