If you are able to provide any of these items, please respond to let us know asap, and to say specifically how many of an item you can provide. Non-perishable items can be dropped off at the

band room next week. All other food items (buns, hot dogs, veggies, etc.) can be dropped off on Thursday evening, after practice, or Friday immediately after school. We really do need all the food together by that time, so that we can get the food to camp, refrigerate what needs to be refrigerated and put other stuff in crockpots/roasters on Saturday morning.

Also needed for that day: assistance at the camp to set up, folks to help clean up. If you can help in any of those roles, please let us know.

Again, many thanks to all of you for your continued support of our kids!
